

Focused, Tactical, Player vs. Player Roleplaying

CONFLICT Roleplaying is a table-top roleplaying game focused on tactical player vs. player combat.

Great for table-top roleplaying and tournament play. Conflict matches are about tactics, strategy and fun. Give your customers a new way to roleplay with a game they already love. Compatible with the **Pathfinder® Roleplaying Game Core Rulebook™** and **OGL 3.5 systems**.

Limited Edition: “Conflicted” T-shirts

An intense graphic design of a claymore sword printed over seams running down the shirt, with a skull ripping off the right side. These will easily be the best looking RPG t-shirts in their closets.

This t-shirt has an extremely detailed design with intricate patterns...

Conflict Roleplaying Rulebook

The Core Rulebook for Conflict RPG:

Most RPGs involve groups of players pitted against a challenge orchestrated by a GM, but there are times when that guy on the other side of the game table... man, you just want to slap the overconfident grin off his stupid mug. If you want player vs player competition—if you’re looking to provide your customers with a chess match that pits their wits against real-world prey—you want the Conflict Roleplaying Rulebook!
